

A Word from Our President**Celebrating New Life**

I love spring because it is the season of new buds, new blossoms, and new life. Spring best reflects renewal, for it is during the spring season the natural world comes to life in all its natural color and brilliance.

Throughout His Word, God uses the seasons, as well as other examples found in nature to teach deep things about Him, His Son, and His salvation plan.

"For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord GOD will cause righteousness and praise to spring forth before all the nations."  
Isaiah 61:11

The fact that Jesus's resurrection took place during the spring season was no accident. It was part of God's perfect timing and plan:

"But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law." Galatians 4:4

Jesus Christ came for one purpose - that His people would have life!

"I am come that they might have life, and that they might have it more abundantly." John 10:10

**Where Can I  
Find Hope?**

I Peter 1:3, "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead."

Romans 5:2-5, "By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God. And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; And patience, experience; and experience, hope: And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us."

Romans 15:4, "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."

Psalms 71:5, "For thou art my hope, O Lord God: thou art my trust from my youth."

## New Life for Family Radio's Network!

Has your local Family Radio station ever gone off the air? Has the audio quality grown worse over time? Well, we're excited to announce new improvements to our stations across the entire country!

Some of our stations had broadcasting equipment twenty to thirty years old, but God has used the support from our listeners to allow us to revitalize our aging network. What's being fixed? We're increasing our engineering staff, improving our satellite bandwidth, and adding new processors to improve the audio quality of our broadcasts!

What does this mean for you, our listener? Family Radio's network of stations will be stable, and your favorite hymns and teaching will sound better than they ever have before. We are also developing a way to instantly alert our engineers to any problems that arise at any point in our network. We'll know if there's a problem before you do, and we'll have an expert team working to fix it.

Numerous events in the process of updating our network have been wonderful answers to prayer. For instance, many of the people who now work for Family Radio were brought to this project in unexpected ways, and they have brought skills and talents that are difficult to find. These blessings show how the prayers and financial support of our listeners have been integral in making these changes possible!

Thanks to God's faithfulness and your support, our network is experiencing new life! Most importantly, these changes will allow more people to hear about the love and hope that can only be found in Christ. By God's grace, they'll experience new life in Him!

## Family Corner

Spring is finally here! Take advantage of the warmer weather and get out in God's beautiful creation with your family! Nothing brings the family together like spending good, quality time together.

Teach your children how to plant a garden! They'll love watering the seeds and watching spring flowers or vegetables grow. And don't forget to take photos to capture those priceless moments of new life!

## What People Are Saying

"Thank you for your faithful work... I've heard Chris Rice singing hymns and today I heard Laura Story's song "Blessings." I so greatly enjoy and am encouraged by the godly music. God bless you and your work. - Debbie

"Hi folks, we are new listeners from Kingston, NY. We find your programs inspiring and soothing! God bless you all! - Earl

"Dear Family Radio, I'd like to say the new website is a wonderful blessing to have now-a-days. Now I can fully access the Word of the Lord any day I want 24/7, supplementing your radio programming over the air. I am grateful to have you folks by my side each and every day. Thank you." - Frank

"I have been listening to Family for over 30 years. Family Radio is a family to me and my family. You bring comfort to my heart through the Word of God and the wonderful songs. Thank you. I love to support my Family Radio so you can continue to bring the Word of God to others. Love you all." Thessalyn

## Celebrating New Life

### *Continued*

Spring, indeed, is a season of new life. May we be reminded throughout this season of the new life in Christ Jesus! May we rejoice in the life our dear Savior purchased for us!

For those of us who love this time of year, spring brings renewed hope and reinvigoration. As the days grow longer and the storm clouds give way to blue sky and sunshine may we take the opportunity to go out this spring and be His witnesses.

May we all rejoice before the Lord our God in all that He has given us! May we commit ourselves to putting our hands unto the plow this season and accomplish what He has called us to do!

Tom Evans
