

Praise the Lord! Oh give thanks to the Lord, for he is good, for his steadfast love endures forever! – Psalm 106:1

We praise the Lord for you! Our Vision 20/20 spring fundraiser was an amazing and humbling experience. So many of you called, so many of you gave, and I'm sure many more of you were praying for the event. It is so encouraging to see our community come together to support the work that God is doing through Family Radio. Thank you!

We still have work to do. Many more people need to hear the Gospel of Jesus Christ. That's why we're here on this earth—that's why you're here!

Family Radio will continue to spread His Good News, and we will continue to need your prayers and support. But right now, we just wanted to say, "Thank you!"

Thank you for praying, thank you for giving, thank you for being part of the family.

Together we are Family Radio!

The Body Joined Together

Recently our team attended the NRB Christian Media Convention. Here's Family Radio's Tom Evans, Vance Dillard, and Scott Perot with Bob Butts of Truth for Life.

We also had the opportunity to make new friends. Here is Scott with Joni Eareckson Tada from the ministry **Joni and Friends!**

Your support allows us to connect with other ministries like these so we can **work together to share the Gospel!**

Your gifts enable people to discover, read, trust, and profess the Word of God, the Bible, through Family Radio!

God is Building Something Wonderful!

After months of planning and construction, our renovated office space in California and our new headquarters in Tennessee are both officially open!

Alameda Office 2020

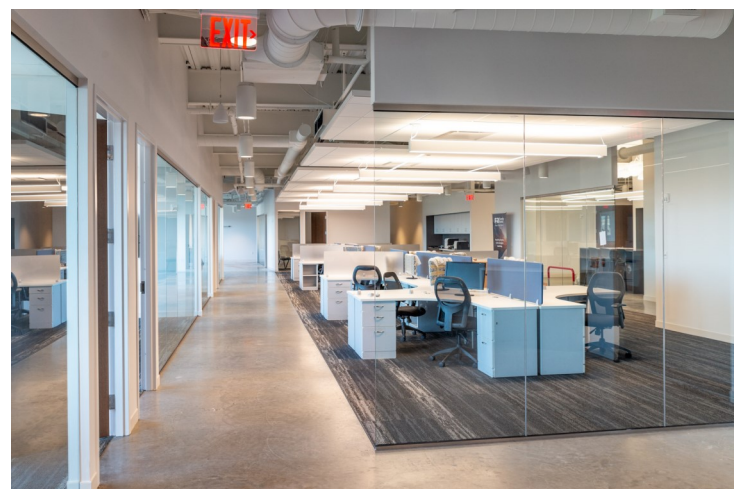

We are humbled by God's provision through your gifts. Now, with offices in both California and Tennessee, we can better connect to churches, ministries, and listeners across the country. Your support made this possible!

And that's really what matters. It's not about the buildings (though they are such a blessing), it's about showing the love of Jesus Christ, sharing His Word, and proclaiming the Good News of His salvation.

After all, Family Radio's home isn't in our offices—it's in your home! It's in the homes of listeners like you around the world, growing in their faith and proclaiming the love of Christ!
