

Hear the Word of God. Proclaim His Good News!

June 2020

We've Been Praying for You!

You may have been separated from your friends and family recently, but **you were not alone. We've been praying for you!** The Family Radio staff has been working remotely to help combat the spread of COVID-19, but that has not stopped us from praying. In fact, prayer has increased! We've been having video conference meetings twice a week just to pray for each other and pray for you!

We aren't the only ones praying. The Family Radio Prayer Team has been praying for you, too! That's over **1300 listeners all praying for each other, our ministry, our country, and our world!**

You may have been alone physically, but you've been covered in prayer. When times are tough, we pray! Let's also continue to pray when times are good. **Join our prayer team or submit a request at familyradio.org.**

Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. - 1 Thessalonians 5:16-18
